

THE UNEMPLOYED PHILOSOPHERS GUILD

2022 International Wholesale Supplement

WELCOME TO THE UNEMPLOYED PHILOSOPHERS GUILD 2022 WHOLESALE SUPPLEMENT!

UPG sales resources are designed to work together!

THE UNEMPLOYED PHILOSOPHERS GUILD's origins date from the time of Socrates – 399 BCE – and our one regret is the great philosopher never saw the finger puppet we made in his image. As you turn the pages of this catalogue, you'll see some of the smartest, funniest, greatest ideas of all time – from the Renaissance to the Regency Era (we speak fluent Jane Austen) to the American Revolution to last Tuesday.

As the U.S. relocated its capital from Philadelphia to Trenton to a New York tavern to Washington, DC, UPG landed in the new nation. By the early 1990s, UPG HQ was New York City's Lower East Side, where two brothers applied their advanced degrees and dedication to paying off student loans to fulfilling the people's need for finger puppets, warm slippers, coffee mugs, and cracking up at stuff.

Today, we continue the UPG tradition in the Brooklyn Ivory Tower. Our inspiring collection of great thinkers, dazzling artists, and unforgettable cultural icons will delight and inspire even your most hard-to-please customers.

LOOK INSIDE!

MEMENTO MORI MUG

Designed with images carved into centuries-old burial monuments, UPG's stone-colored mug, *Memento Mori* ("remember death"), will remind you to take time to smell the lilies. Angels with trumpets (hurrah!), skeletons with hour glasses (tick-tock, people!) and just enough Latin to hint that life is fleeting (*Tempus Fugit / Fugit Hora*). In the bottom of the mug is a reminder

of the inevitable – and an ouroboros (snake biting its own tail) to represent eternity. This dignified *Memento Mori* mug, in its own gift box, is perfect for gloomy people who need coffee or tea to...wake.

READ MY LIP BALM
Romeo and Juliet
W^M SHAKESPEARE'S
DID MY LIPS LOVE TILL NOW?

JULIET Oh, Romeo, Romeo, wherefore art thou Romeo? Deny thy father and refuse thy name! Or, if thou wilt not, be but sworn my love, And I'll no longer be a Capulet.

ROMEO Shall I hear more, or shall I speak at this?

JULIET 'Tis but thy name that is my enemy, Thou art thyself, though not a Montague. What's Montague? It is not hand, nor foot, Nor arm, nor face, nor any other part Belonging to a man. Oh, be some other name! What's in a name? That which we call a rose By any other word would smell as sweet; So Romeo would, were he not Romeo called, Retain that dear perfection which he owes Without that title. Romeo, doff thy name, And for thy name, which is no part of thee, Take all myself.

ROMEO I take thee at thy word! Call me but love, and I'll be new baptized; Henceforth I never will be Romeo.

JULIET What man art thou that, thus bescreened in night, So stumblest on my coziness?
