

IVORY TOWER

What is an Ivory Tower?

The Unemployed Philosophers Guild Ivory Tower is a space-saving display fully customized to fit your assortment of UPG gifts – coffee mugs, plush dolls and puppets, stationery, and the rest of our witty and original designs.

Behold the Ivory Tower

An Ivory Tower is the ideal department-within-a-department for every UPG line.

UPG makes thoughtful, surprising gifts – finger puppets of the great philosophers – luscious lip balms (for luscious lips) – heat-transforming coffee mugs and votive candle holders – Secular Saint candles of cultural icons – fresh mints with fresh ideas – high-quality soaps to make your friends laugh – jigsaw puzzles as beautiful as they are engrossing ... *all because we think everyday things should make every day smarter and funnier.*
