Our **Traditional Mugs** honor rituals established thousands of years ago when our ancestors quit drinking out of puddles.

As philosophers, we're all about tradition. We're also about beauty, wisdom, love, justice, being, Being, apophasis, paralipsis, paralepsism... where was I?

As you can see, all of our mugs are big ideas with a handle. Whether you're fascinated by mathematical formulas or miniature art histories they just might make you a morning person.

And with so many beautiful designs, our mugs will look good in front of your mug.
